Message from FCCI's 2018 President

Happy Spring!

The smell of fresh air and getting outside more is much needed after all the cold days we've had this past winter. I am hoping this letter comes to you after the snow has melted; we need some green grass!

The week of the family child care provider is May 7- 11 with Friday, May 11th being Provider Appreciation Day. The first five years of children's lives are the most important years in their growth and development. As licensed family child care providers, we play a significant role in their development. We are there to support, educate, guide, nurture, and enhance their lives throughout these years. You are truly appreciated in this profession and you deserve a night to be acknowledged for the hard work and dedication you put forth. We would like to extend an invitation to you for FCCI's Annual Provider Banquet on Monday May 14th. Register to kick back and enjoy a nice dinner. You will also receive 2-hours of training on the topic: "Be The Exception" presented by Annie Meehan. See Pg 4 for banquet registration and instructions.

FCCI will remain consistent in offering BONUS trainings in addition to the regular monthly workshops to help meet training requirements and to provide a variety of topics.

Andrew Johnsrud is bringing LOVE & LOGIC to providers on April 9th which will meet your annual *child growth & development/behavior guidance requirement*.

SUIDS/Abusive Head Trauma with Michelle Gillard will be presented on April 26th as a bonus training. More details regarding all upcoming trainings can be found on our website as well as on page 2 of this newsletter.

Fire Extinguisher service from Mississippi Welders will be available at the April 9th workshop for your convenience. Bring your fire extinguisher along and have it recharged during the workshop. Remember to label your fire extinguisher and bring \$5.

The FCCI Advocacy Committee is hard at work during this 2018 legislative session. FCCI's bill HF 3015 aims to remove the requirement to post correction orders in our homes/place of business. To follow the status of this bill please visit our Facebook page or website.

FCCI is committed to developing and promoting high quality child care in our community through education, resources, and support. Your board is listening and available to all of you. We have several avenues of communication with our website, Facebook page, Enews and newsletter. Of course you are always welcome to email me any ideas, questions or concerns at fccimn@gmail.com

Thank you,

Jessica Tukua

Annie's Signature Speech highlights living outside of the traps of labels, characterizations, and job titles. Getting on the path to uncovering and expressing your authentic self is what makes your life's journey rich.

In her interactive presentation, Annie dives into the "7 ways of being" (honest, gentle, flexible, healthy, courageous, open and authentic) necessary to transform your life and live your true passion and potential.

Reserve your spot at the table for a great meal and a riveting training!

As a training participant you can expect to learn the value of how "being" is often more important than "doing". Let Annie uplift you with the awareness of how you could be just another "expert" in the world or you could "Be the Exception".

2018 Provider of the Year

The Hand Holder

There is no job more important than yours, no job anywhere else in the land.

You are the keepers of the future: you hold the smallest of hands.

Into your care you are trusted to nurture and care for the young,

And for all of your everyday heroics, your talents and skills go unsung.

You wipe tears from the eyes of the injured. You rock babies brand new in your arms.

You encourage the shy and unsure child. You make sure they are safe from all harm.

You foster the bonds of friendships, letting no child go away mad.

You respect and you honor their emotions. You give hugs to each child when they're sad.

You have more impact than does a professor, a child's mind is molded by four;

So whatever you lay on the table is whatever that child will explore.

Give each child the tools for adventure, let them be artists and writers and more;

Let them fly in the wind and dance on the stars and build castles of sand on the shore.

It is true that you don't make much money and you don't get a whole lot of praise,

But when one small child says, "I love you," you're reminded of how this job pays.

~ By Dori Rossmann

Executive Director, Kids Town USA

*Too often, we don't take the time to celebrate our profession and the providers who make extraordinary contributions to our communities and the children and families we serve. As we celebrate the **Week of the Family Child Care Provider on May 6 – May 12 2018**, we encourage you to celebrate your own contributions to this profession. Congratulations to all of our nominees and thank you for your commitment to the children of our county!*

The winner for the 2018 Provider of the Year will be announced at our Annual Provider Banquet on May 14th. FCCI Provider of the Year committee members use a two-part scoring system based on nominee's years of FCCI membership and thoroughness of essay completion to determine the winner. In the event of a tie, recommendation letters are scored and used as a tie-breaker.

Olmsted County Licensing News

Spring 2018

The Family Systems Application – to notarize or not?

This only needs to be done **one time** and **all current providers are “done”**. You do need to **sign** the last page of any application (relicensing, change of premise, updates) that you send in, but it does not need to be notarized.

What should I do if I have a child who bites?

When a provider knows that a child has bitten another child, she/he must increase the supervision of the child who has bitten so that the health and safety of the other children in care is protected. As with any injury to a child that needs medical attention, please report the injury to your licensor. Repeated bites could result in a correction order for supervision.

Reminders about pack n’ plays --- No alterations of any kind can be made.

- This includes elevating one end, propping the mattress, attaching mobiles or other devices to the unit of any kind.
- If there is a hole or a tear, it may not be sewn.
- The unit must be taken out of service. Follow all manufacturer’s height and weight recommendations.
- Use a tight-fitting sheet.

Use of a Contracted Substitute

If you are planning on using a contracted substitute, make sure you contact Olmsted County licensing prior to enlisting their services so that a background check clearance letter can be sent out to you and the substitute.

Reminder: If you’ve changed your provider policy please make sure your licensor has an updated copy on file.

Remember, you can access the Olmsted County website for child care forms, updates, provider information, the monthly orientation schedule, and more.

Advocacy

FCCI's Advocacy committee is ready for the 2018 legislation session which began February 20, 2018 and offers this recap of recent activity.

- FCCI hosted the DHS in August of 2017 so providers, local legislators and community members could learn more about the implementation of 2017 legislation. DHS returned in January 2018 to offer providers an opportunity to learn more about the 2017 laws specifically regarding background studies and fingerprinting. We can expect changes this session because of your participation and feedback at these meetings.
- FCCI's bill HF 3015, SF 3507, aims to remove the requirement to post correction orders in our homes/place of business. Corrections per 2017 legislation will be posted on –line. HF 2778 is carried by Representative Duane Quam and Senator Carla Nelson; it has been introduced in the House of Representatives and referred to the Health and Human Service Reform Committee. We have been dialogue with the DHS so technical language ready for its movement through the necessary committee hearings.
- FCCI's Advocacy Committee has had initial conversations with DHS and is requesting a plain language document/ flow chart to include timelines and the process for appeals and decision making for the Temporary Immediate Suspension (TIS) process. This process is long, confusing and can have lasting impacts on the viability of a provider's business.
- FCCI will monitor other early advocacy group's legislative activity and encourage you to do the same. www.maccp.org www.mcppin.org.

FCCI's Advocacy Committee strives to make improvements in the child care system statewide through changes in policy and legislation, and communication with statewide community members by building positive relationships and seeking common ground to support the profession of family child care and advance high quality care.

Activities include:

- Monthly planning meetings
- Proposing legislation for improvements in the child care regulatory process
- Submitting testimony in support or opposition to legislation
- Providing Advocacy Action Alerts on relevant issues
- Meeting with DHS staff, legislators and other community members
- Informing the FCCI board of directors of activities for report to members
- Maintain contacts and awareness of child care issues

If you would like additional information about the Advocacy Committee, its mission, or join in the work, please contact Ariane at fciadvocacy@gmail.com. For the latest advocacy news and updates visit our website page at fccimn.com.
