## The Provider Corner

Volunteers are the key to FCCI's success! There are many providers that step up to keep our organization vibrant and strong. Thank yous are well deserved!

Let's start with a BIG thank you to **all the past, present, and future FCCI Boards**. Your time and commitment to FCCI and supporting the family child care profession makes a huge difference to our family child care providers in Olmsted County and surrounding counties.

Also, a very special thank you to our **volunteers** who help in so many ways at our monthly workshops. The extra attention to getting chairs set up and put away, and tidying up our workshop space is really appreciated. After a long work day and workshop, it is so nice to have extra hands assisting with these workshop odds and ends.

**The Finance Committee Volunteers** keep track of our membership funds making sure they are carefully managed to support FCCI's mission. The committee meets quarterly making sure FCCI funds are meeting targets. In December, they review the past budget and prepare the next year's budget.

**The Banquet Committee** is a really wonderful group! Thank you all for the special touches you add to the night to make our providers feel appreciated and celebrated. The decorations, door prizes and meal give us all a chance to relax and enjoy a evening together celebrating our profession.

**Our Provider of the Year Committee** has an extra special job, reviewing the nominations and applying them to the standard criteria to select our annual recipient of the Olmsted County Provider of the Year. Thank you to this important committee for keeping this tradition alive and our community aware of the important role family child care providers play.

**Bylaws** are reviewed every other year and are important to guiding the board in process and direction. It takes a careful and thoughtful group to review these documents. Thank you to those that volunteer for work on this committee!

Lastly, we would like to acknowledge the **Advocacy committee** that is led by Chairperson Ariane Bromberg. The committee consists of members Ariane Bromberg, Jen Bestgen, Barb Kylo, Stephanie Reuss, and Sadi Barton . They have built relationships with Senators, Center Administrators and DHS. Ariane, Barb, and Jen Bestgen have taken time out of the own businesses to travel to the Capitol to testify on all our behalf while others sent in written testimony. Many of the committee members have put in a great deal of time to contribute making improvements in regulatory oversight of our profession. Thank you for all your dedication and commitment!

Every provider is welcome to join a committee and we look forward to you joining us. There really is a fit for everyone. Plus, it is a great way to get to know other providers! We have a lot of fun while getting a lot of work done! Contact Nita 208-8029 or [nitahiggins@gmail.com](mailto:nitahiggins@gmail.com)

## Summer 2019

### **Returned Parent Evaluations**

We know you value the parent evaluations as they are important feedback information to you. So, please make sure that all parent names and mailing addresses are current when you are sending in the enrollment form that is included with your relicensing and off-year paperwork. Many of these forms are returned by the U.S. post office due to having an inaccurate address or because the family's address has changed. We often need to resend these to the correct address which takes time and incurs extra postage costs. Parent evaluations are sent to a random four families on your relicensing year.

### **Change in Household Membership**

The Rule requires that all child care providers keep their county licensor updated as to any changes in household membership. That means anyone moving in or out of your home. Remember that a background study will need to be completed for a new household member, a household member turning 13 years old, a household member turning 18 years old, and a new second caregiver, substitute, or helper. (MN Rule 9502.0375 Subp. 2)

### **Drug and Alcohol Policy Forms**

Guess what? -- These forms will no longer come in your relicensing packet. So, don't panic if you don't see these included anymore! You are still required to train your employees, subcontractors, and volunteers about your drug and alcohol policy.  
(MN Statute 245A.04 Subd. 1 (c))

### **NETStudy 2.0 and Background Studies**

The MN Department of Human Services (DHS) is working diligently on getting everything in place for counties to be ready to roll out the NETStudy 2.0 enhanced background study process. Olmsted County plans on purchasing the equipment and technology to serve all our programs that require background studies. We are still waiting to hear from DHS that the "window" for Olmsted County child care providers has opened at which time you will each get notice and directions on what you will need to do. We plan on making this as "trouble-free" as possible and will be offering evening and weekend scheduled time slots to our child care providers, their household members, and substitutes. Please be patient and stay tuned for more on this topic from Olmsted County and MN DHS.

**As always, THANK YOU for the care you provide  
to the children in our communities!**

# Advocacy

Family child care providers should have received the new-style family child care license from DHS recently. Thank you to FCCI Advocacy Committee Member, Barb Kylo, for proposing this legislation to Representative Duane Quam and for testifying at the Capitol. Great job, Barb!

FCCI would like to thank Ariane Bromberg, Advocacy Chair, for your time and dedication to Advocacy in the field of family child care. You have made a huge difference! Ariane has stepped down as Advocacy Chair in May 2019. If anyone is interested in leading the FCCI Advocacy Committee, please contact the FCCI President, Jessica Tukua and she will direct you in the next steps of the process.
