FCCI is committed to providing an adult-only learning environment that is supportive of the educational needs of all of our members. Child care is not available at the trainings and children within the area of instruction can be disruptive to both our trainer and other trainees. Therefore, with the exception of exclusively breastfed infants age three months and younger, children **may not** attend trainings or be left unattended in other areas of the church. Any breastfed infants age 0 - 3 months that attend should remain in room #2 and be removed if they become disruptive. FCCI is unable to issue training certificates to attendees who excuse themselves from trainings for more than 15 minutes for any reason.

There is a \$5 charge for training certificate replacement.

Please keep your training certificates in a secure location for licensing verification.

Professional associations, such as FCCI, offer valuable tools to help you stay informed and make wise decisions concerning the future of your business and the children that you care for. We also provide a place where providers can meet and get to know one another to share about our experiences and make new friendships! Come and be a part of this great group of providers!

Message from FCCI's 2020 President

Hello Summer!

Dear Providers,

We've all been navigating through uncharted waters during this time with COVID-19. I want you to know that FCCI is working hard to still offer enough trainings for your licensing requirements. Please consider signing up for the fall online courses we will be offering. Due to the unknown of COVID-19 and whether or not it will impact us this fall, we are scheduling backup-online trainings so you will still be able to earn training credits/hours. And if we are unable to offer a training either through in-person classes or online, we will publish outside options for you on our website and through our Facebook page.

Currently, we are still planning on hosting our annual picnic. There will be social distancing requirements and as a board we've decided to eliminate the potluck portion of the night to ensure everyone's health & safety. Please bring your own dinner; FCCI will provide bottled water & a small selection of canned soda. Come enjoy a night outside networking with local providers over dinner while you **earn 2 hours of licensing approved training!**

As always, I would like to welcome all the new providers in our community. You're going to make such a positive impact on so many young children and for that, we thank you!! Consider joining FCCI to not only obtain trainings but also to network with other providers. It's one great way to combat the feeling of isolation many providers feel and connect with others in your field.

FCCI has board positions open so if you are looking to join the board now is a great time because the call for nominations for the 2020 board is now open. As an FCCI board member, you will help promote quality family child care in our area and state, meet new friends, and increase your professionalism.

Current open positions: *Community Outreach Coordinator and Assistant Training Coordinator as well as the opportunity to serve on one of our committees such as Banquet, Provider of the Year, Mentor or Advocacy. Please reach out to any board member if you are interested in contributing your time or ideas as we are continually looking for volunteers. Information regarding all board positions is available in the "About FCCI" section online at www.fccimn.com*

If you have any concerns or ideas please email me. We are here to serve FCCI membership and any feedback is appreciated as it helps shape your organization!

Enjoy your summer!
