Message from FCCI's 2021 President

Happy New Year!

Hello! I am Lee Vang and I'd like to introduce myself to you as the new President of Family Child Care, Inc for 2021. I am very excited to be leading such an important and professional organization, one that I have been a member and board member of since 2011.

I first heard about FCCI at the licensing orientation. Then a few days later, I received an email from Jackie Harrington, President of FCCI at the time. Jackie was kind and welcoming in her email and gave me confidence as a new provider. In her email she asked if I would be interested in a board position and mentioned that it may help me and my business. I agreed to join the board at that moment. That was the start of my career as a board member. Jackie, thank you for opening that door for me! While serving on the board, I have had the opportunity to talk with many members, partners, directors, organizations, state representatives and other stakeholders, and our conversations have increased my enthusiasm for the organization and our profession as child care providers.

2020 has witnessed incalculable loss. Recovery is certain to be slow. And we will not, fully at least, ever return to the way things were. However, with determination, and the abundance of creativity that exists within our community, I know we will find a wealth of opportunities for positive and lasting change. We appreciate your support and dedication throughout the years, and it is even more meaningful during these unprecedented times.

For 2021, we will continue to monitor and adhere to federal, state, and local mandates, as well as, CDC recommendations. We have balanced an ever-changing landscape with common sense and a dedication to you, our members and community.

Ultimately, despite 2020's challenges, I'm proud that we stayed focused on our mission of service. In so many ways, this has never been more important. The board will continue to do everything we can to continue to provide the training experience that you know and depend on.

I'm looking forward to 2021! I hope you share my optimism that 2021 will be a better year. And I hope you share my concern for those who have not been as fortunate as some this past year. Together we can make this new year the best year.

At this time, we have our trainings scheduled as in-person, unless directed otherwise from the Governor. If in-person trainings are cancelled, an online training is scheduled for back-up, thanks to the amazing Gina Boose, our Training Coordinator. Gina has worked tirelessly to accommodate the ever changing regulations and restrictions.

Thank you to our board members who volunteer their time to FCCI! We are tirelessly and collaboratively working to grow this organization and grow the awareness of the value of our work as child care providers. If you feel that you would like to join us in this effort as a member of the board please contact me or any board member through our website, Facebook page, Enews and/or Newsletter.

You can always email me with ideas, questions or concerns at fccimn@gmail.com

Thank you for being a part of FCCI!

Have a safe, happy, and healthy new year,

Lee Vang 2021 FCCI board President fccimn@gmail.com

FCCI is committed to developing and promoting high quality child care in our community through education, resources, and support. Your board is listening and available to all of you. We have several avenues of communication with our website, Facebook page, Enews and newsletter. Of course you are always welcome to email me any ideas, questions or concerns at fccimn@qmail.com
