FCCI is committed to providing an adult-only learning environment that is supportive of the educational needs of all of our members. Child care is not available at the trainings and children within the area of instruction can be disruptive to both our trainer and other trainees. Therefore, with the exception of exclusively breastfed infants age three months and younger, children **may not** attend trainings or be left unattended in other areas of the training room. Any breastfed infants age 0 - 3 months that attend should remain in the back of the room and be removed if they become disruptive. FCCI is unable to issue training certificates to attendees who excuse themselves from trainings for more than 15 minutes for any reason.

# The Provider Corner

Volunteers are the key to FCCI's success! There are many providers that step up to keep our organization vibrant and strong. Thank you are well deserved!

Let's start with a BIG thank you to **all the past, present, and future FCCI Boards**. Your time and commitment to FCCI and supporting the family child care profession makes a huge difference to our family child care providers in Olmsted County and surrounding counties.

Also, a very special thank you to our **volunteers** who help in so many ways at our monthly trainings. The extra attention to getting chairs set up and put away, and tidying up our training space is really appreciated. After a long work day and training, it is so nice to have extra hands assisting with these workshop odds and ends.

**The Finance Committee Volunteers** keep track of our membership funds making sure they are carefully managed to support FCCI's mission. The committee meets quarterly making sure FCCI funds are meeting targets. In December, they review the past budget and prepare the next year's budget.

**Our Provider of the Year Committee** has an extra special job, reviewing the nominations and applying them to the standard criteria to select our annual recipient of the Olmsted County Provider of the Year. Thank you to this important committee for keeping this tradition alive and our community aware of the important role family child care providers play.

**Bylaws** are reviewed every other year and are important to guiding the board in process and direction. It takes a careful and thoughtful group to review these documents. Thank you to those that volunteer for work on this committee!

**Every provider is welcome to join a committee and we look forward to you joining us. There really is a fit for everyone. Plus, it is a great way to get to know other providers! We have a lot of fun while getting a lot of work done! Contact Nita 208-8029 or [fcciworkshopcoordinator@gmail.com](mailto:fcciworkshopcoordinator@gmail.com)**

Family Child Care, Inc. would like to welcome the following new and recently licensed providers to the child care profession in Olmsted County. We hope to see you soon at an FCCI training! Please call Jessica at 507-951-8692 or email [fccimembership@gmail.com](mailto:fccimembership@gmail.com) to get your membership started!

## PAINTING FIREWORKS

### Playdough Ice Cream—It Looks Real!

*What you need:*

- Ready-made frosting. I used a Betty Crocker 435g tub of vanilla frosting
  - Approximately 4 cups icing sugar
  - Food coloring
  - Ice cream cones (or small bowls/cupcake cases), sprinkles, scoops and anything else you need for play
- In a large bowl, add half of the frosting (which is approx.  $\frac{3}{4}$  cup). Leave the other half for another batch. The 435g frosting tub I used made 2 batches of dough so I made one pink and the other green.
- Using the dough hooks on your mixer, gradually add in 2 cups of icing sugar. Mix until the dough comes together is not sticky. I actually used slightly less than 2 cups so keep feeling it until it is no longer sticky.
- Add in a few drops of coloring and mix until combined. Transfer to a bowl and set aside.
- Repeat process with remaining frosting and icing sugar. This time, add a different color. Transfer into a bowl and you are ready for play.
- Set up a scene using your different flavored 'ice cream' along with cones, sprinkles, scoops, bowls, muffin cups, spoons and whatever you associate with eating ice cream. Let their little imaginations run wild as they order, create and serve.
