PROVIDER RESOURCES AND UPCOMING EVENTS

Cradle 2 Career is a systems-change organization located in Rochester, MN. We are conducting a childcare capacity and utilization study, focused on identifying and removing business barriers to entrepreneurs in the childcare sector. We have a special interest in SE Rochester as well as increasing access for immigrant and refugee families.

To date, we have managed to gather feedback from 61% of center-based providers and 21% of home-based providers. Currently, we are interviewing 100 families on their experiences locating and accessing childcare.

Based on what we learn from providers and families, we will have recurring meetings during the summer to design changes in policy, regulation, funding allocation, and professional development that address those issues. In the fall, policymakers will respond to our proposed changes at our Annual Education Summit on October 4th.

If you would like to contribute to the study by completing a survey, please use the QR code below.

If you are interested in helping design policy changes, please email kelseyd@c2cmn.com.

Look for us at the FCCI Conference on April 29th to learn more!

2023 PROVIDER APPRECIATION

Too often, we don't take the time to celebrate our profession and the providers who make extraordinary contributions to our communities and the children and families we serve. As we celebrate the **Week of the Family Child Care Provider on May 7 - May 13 2023**, we encourage you to celebrate your own contributions to this profession. Congratulations to all of our nominees and thank you for your commitment to the children of our county!

The winners for the 2023 Provider of the Year Award will be announced at our **Provider Appreciation Conference - Celebrating 50 years Together - on Saturday, April 29.**

FCCI Provider of the Year committee members use a two-part scoring system based on nominees' years of FCCI membership and thoroughness of essay completion to determine the winners. In the event of a tie, recommendation letters are scored and used as a tie-breaker.

The FCCI Board of Directors would like to wish all family child care providers a very happy Provider Appreciation day on **May 12th, 2023!**

You make a difference in the lives of the children you care for each and every day
and YOU ARE APPRECIATED!

THE HAND HOLDER

There is no job more important than yours, no job anywhere else in the land.
You are the keepers of the future: you hold the smallest of hands.
Into your care you are trusted to nurture and care for the young,
And for all of your everyday heroics, your talents and skills go unsung.
You wipe tears from the eyes of the injured. You rock babies brand new in your arms.
You encourage the shy and unsure child. You make sure they are safe from all harm.
You foster the bonds of friendships, letting no child go away mad.
You respect and you honor their emotions. You give hugs to each child when they're sad.
You have more impact than does a professor, a child's mind is molded by four;
So whatever you lay on the table is whatever that child will explore.
Give each child the tools for adventure, let them be artists and writers and more;
Let them fly in the wind and dance on the stars and build castles of sand on the shore.
It is true that you don't make much money and you don't get a whole lot of praise,
But when one small child says, "I love you," you're reminded of how this job pays.
