Message from FCCI's 2016 President

Hello! The sun is starting to shine more, the snow has melted away and there's lots of mud! Spring must be coming soon! Hope you all are finding time to enjoy the nicer weather!

Just in case you haven't heard there is exciting news for providers, the vote to unionize family child care in Minnesota did not pass and family child care remains union free! The election was held March 1st and the final vote was a dominating 1014 to 392. A huge thank you and shout out to all of the family child care providers that helped with this. It proves that we can make a HUGE difference when we work together! Great job!

Celebrate with providers from across Minnesota at the 29th annual MLFCCA's Week of the Family Child Care Provider Conference and Recognition Banquet. The conference will be held in Plymouth, MN April 29th and 30th at the Crowne Plaza. Registration details are at www.mlfcca.org. MLFCCA is member supported and provider membership is important to continued advocacy efforts. "Like" the Minnesota Licensed Family Child Care Association Facebook page to stay current on family child care information.

FCCI has had an amazing turn out for the bonus trainings! We are glad our members are finding these trainings useful and enjoying them. On March 31st we will have Lori Hameister with the topic Bugs, Blossoms, & Butterflies. April 28th we have Kimberly Giles with her training "Mess Management." These trainings are free to our members and were designed to help you meet training hours. More details on these trainings can be found on our website.

Fire Extinguisher service from Mississippi Welders will be available at the April 11th workshop for your convenience. Bring your fire extinguisher along and have it recharged while before the workshop.

The week of the family child care provider is May 2nd - 6th with Friday, May 6th being Provider Appreciation Day. FCCI's annual provider banquet will be on Monday, May 9th. The banquet committee has been working hard planning a wonderful banquet with Katy Smith being our speaker for the evening. Please join us in this celebration honoring you, and fellow child care providers.

Please visit our website www.fccimn.com for more information and if you have any questions or comments please email me at fccimn@gmail.com. Have a great spring!!

Dogs, our “best friend”. Who doesn’t love them? Remember as a licensed child care provider you must exercise caution and additional supervision when dogs are present. Dogs can be reactionary and may bite with little to no obvious provocation. Here are four incidents that have taken place in the past, but noteworthy to be reminded of: #1) child was bitten at a park by a dog that had gotten loose from its yard; #2) child was bitten at a park, the child had permission of the owner to pet the dog; #3) child was bitten on the hand as both the child and dog were playing and going for a ball at the same time, skin was not broken; and #4) child was bitten, dog may have been reacting to protect the food it was eating. Only #4 was a provider’s dog, this dog had bitten other children and the provider failed to take steps to ensure no additional children would be bitten.

Provider reminders regarding animal bites:

- 1). *Providers must notify their licenser of any injuries that require treatment by medical personnel -- (Incident Report form is located on the Olmsted County web site).*
- 2). *DHS Licensing Checklist, page 4, #3 asks: Have there been any animal bites since your last renewal?*
- 3). *Parents of a child whose skin is broken by an animal bite or scratch, are notified of the injury on the day the injury occurs. Licensing Rule 9502.0435 subp 12 Pets. F.*

Other city and state laws to be aware of, for example:

****City of Rochester, 106A.17 Animal Bites:** Whenever any animal shall have bitten a person or there is good reason to believe that such animal has bitten a person, such fact shall be reported within 24 hours to the county health department.

****Minnesota Statutes, 347.22 DAMAGES, OWNER LIABLE.** If a dog, without provocation, attacks or injures any person who is acting peaceably in any place where the person may lawfully be, the owner of the dog is liable in damages to the person so attacked or injured to the full amount of the injury sustained.

Families First of MN – Crisis Nursery

Crisis Nursery is always in need of licensed child care providers.

By becoming a Crisis Nursery provider, you may be called to take children into your care for a short period of time, usually no more than 10 days, sometimes only for a few hours.

You are paid the maximum allowed rates established for the Child Care Assistance Program.

This is a great opportunity for a provider who is not at their licensed capacity to provide quality care for a family in a time of need.

For more information, call Allison at 287.2020.
