Message from FCCI's 2022 President

Happy New Year!

My name is Lee Vang and FCCI 2022 President. I am excited to connect and grow together with all of you in the Child Care Community!

2021 was the year we turned challenges into opportunities.

I would like to thank you all for your continued support, there's no doubt that we've pulled together to create some fantastic opportunities and achievements.

A New Year is an opportunity for us to build the behavioral habits and accountability structures needed for success, rather than making bold declarations about major life changes or attempting to work our way to success.

This year, resolve to skip the resolutions. Instead, do the hard work to figure out what you want, brainstorm, and align your goals, create accountability for yourself and decide what and who you need to give up along the way. As we look to the new year, let's continue to be patient and give one another grace. We are in this together because that is what life is all about.

We have some amazing trainings in store for you, starting us out strong is Carrie Johnson, with Early Childhood Mental Health: Why your Role Matters. (Meets the Child Growth & Development/Behavior Guidance annual requirement)

Make sure to check our website, Facebook Page, Enews and Newsletter for details! Of course, you are always welcome to email me any ideas, questions, or concerns at fccimn@gmail.com

Your feedback and reviews act like the fuel that gives us energy and motivates us to do better every day. We hope to receive the same love and support from you in 2022!

Cheers to the New Year!!

Lee Vang

2022 FCCI President

FCCI is committed to developing and promoting high quality child care in our community through education, resources, and support. Your board is listening and available to all of you. We have several avenues of communication with our website, Facebook page, Enews and newsletter. Of course you are always welcome to email me any ideas, questions or concerns at fccimn@gmail.com

Puffy Paint Snowman

What you need: Paper (any color except white), Eyes (we used "googly eyes") but even little paper circles would work, Carrot nose, two sticks or twigs, buttons (anything works!), Kid's school glue, Shaving cream, Bowl, Paint brush and Pencil .

What to do:

1. Take your paper and draw the snowman with your pencil.
2. Add Equal parts glue and shaving cream Just mix these together in your bowl.
3. Start 'painting' your snowman – Leave it puffy!
4. Add the sticks – put it right IN the 'snow', and then add the eyes, nose & buttons. If you want to, draw on a smile with the pencil.
5. Let it dry- this takes about ten minutes.

Families First of MN

Crisis Nursery

Crisis Nursery is always in need of licensed child care providers.

By becoming a Crisis Nursery provider, you may be called to take children into your care for a short period of time, usually no more than 10 days, sometimes only for a few hours.

You are paid the maximum allowed rates established for the Child Care Assistance Program.

This is a great opportunity for a provider who is not at their licensed capacity to provide quality care for a family in a time of need.

For more information, call Allison at 287.2020.

Register for Develop!

Minnesota has moved towards an online system for tracking training and professional development. Now that this transition has taken place, many training sponsors will no longer offer training certificates. FCCI is an approved Develop/MNCPD training sponsor and, while we will continue to offer paper certificates for the time being, we are also recording attendance in the Develop/MNCPD registry.

All providers must sign in at the membership desk and verify your Develop/MNCPD number. This will facilitate entry of your attendance at our trainings. Without your MNCPD number FCCI is not able to enter you attendance and you will be responsible to send in a copy of your training certificate to the registry for licensor review.

FCCI is no longer able to help you register for Develop at the workshops so please do that prior to attending by visiting their website at developtoolmn.org.
